This full-color, beautifully illustrated fold-out field guide slips easily into your pocket but accords out to give you a spread of over 230 detailed, scientifically accurate illustrations of the birds you will see in Colombia. Illustrations are accompanied by name in English, Spanish, and Latin; size; and in some cases, plumage. Rainforest Publications pocket guide to the birds of Colombia regions is printed with fade resistant ink and covered with UV resistant, waterproof laminate, which is extremely durable, and will hold up to many trips into the field; and back home to help remind you of what you saw.

About the Author Rainforest Publications specializes in the Wildlife and Natural History of Central and South America. Our wildlife guides are the perfect companion if you're a naturalist, bird watcher or adventure traveler. Our illustrators live in Costa Rica and are tops in their field of interests. Our scientific staff continually updates the guides so the information is complete and accurate. Our print company is locally owned by its employees. Our guides are printed in the US on recycled paper.
