**Nelles Verlag GmbH : Colombia-Ecuador** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colombia-Ecuador:

1 of 1 people found the following review helpful. good road map By Der Zahlengood road map, but not on very good paper...fold creases start to tear out on first opening...will tolerate no moisture...keep it in a zip lock bag. 1 of 1 people found the following review helpful. Excellent Map By Jerry K. Shepard Great illustrated and weather proof map. Love it! Will make our travel directions easy. The quality is better than expected. Thanks You.

New edition. 1 : 2.5 Million scale. Detailed, relief shading clearly shows spot heights and mountain ranges giving a real sense of the terrain with distances provided for the majority of routes. Numerous points of interest are highlighted such as national parks and nature reserves.
