From Maps of World : Colombia Highway Map - Laminated (36" W x 43.9" H) before purchasing it in order to gage whether or not it would be worth my time, and all praised Colombia Highway Map - Laminated (36" W x 43.9" H):

The Colombia Road Map shows the network and layout of the major highways and roads of Colombia along with the distribution of the major towns and cities. The international boundary of the country is clearly demarcated on the map, along with the location of the neighboring countries. In addition, the capital city Bogota and the major roads connecting the city are also show on this map. This map is useful for tourists and travelers, even cartographers and geographers can use the map for cartographic and educational purposes. Printed in 46 lb matte finish paper with 3 mil glossy front-back lamination and available in 36 inch width x 43.9 inch height
