Excellent little book of commonly needed phrases. My only complaint is the formatting and lack of page numbers on the table of contents.

I appreciate Sara Retter for writing this book. I was searching for a good Spanish speaking guide to prepare myself before starting my dream tour program. This book contains all mostly used phrases for all situations during travelling. Author has categorized phrases based on situations. Now, I am that this book will make an expert at Spanish and my tour program will be very interesting without much interference of travel guide for language problems.

This was a very useful phrase book. I liked that it was grouped by subject so that things you might use in a conversation are all together in one place. It covered realistic subjects that come up in a travel situation. Looking at it ahead of time before our trip gave me a good quick review of my old high school Spanish and I felt much more prepared for simple interchanges with the locals.

I am a language fun and polyglot traveling the world to meet fascinating people and getting to know incredible places and customs. I find nothing is more rewarding than practicing languages with others, getting new friends and meeting new cultures and customs. Probably you feel the same way. As I keep learning new languages I realize that each one opens up a whole array of new experiences and a new way to look at the world. I decided to write about my experiences to share them with other people and to transform my lifestyle into a way of making a living. I hope I will be able to transmit my passion for languages and for people to those travelers who find that an unknown foreign language is a barrier hard to get by. I know how it feels and hope will be able to help travelers to get the most of their journeys. Journeys are life transforming experiences! Thanks for reading my books! Sarah Retter
