ITMB Canada : Colombia Travel Reference Map 1:1,400,000 -2012* (International Travel Maps)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colombia Travel Reference Map 1:1,400,000 -2012*** (International Travel Maps):

3 of 3 people found the following review helpful. Good map, need much more detailBy TimbarinaIt's a good map of Colombia - it's probably the best you're going to find. It could use a lot more detail, however, as I'm traveling extensively through this country and I am unable to find a PAPER map - and believe me, I've spent many hours searching online and walking through Bogota trying to find one. They just don't exist. Online maps are of no use to me in the middle of the boondocks of the Andes - no internet service.0 of 0 people found the following review helpful. Colombia Travel Reference MapBy CustomerThis product is what I have expected.0 of 0 people found the following review helpful. not at all what I expected. Half the country ...By rachelnot at all what I expected. Half the country is on one side of the map and the other half on the back. I wanted a complete map all on one side

The 3rd Edition of Colombia Map from Itmb Publishing.
