Hugh Howard : Colonial Houses: The Historic Homes of Williamsburg before purchasing it in order to gauge whether or not it would be worth my time, and all praised Colonial Houses: The Historic Homes of Williamsburg:

0 of 0 people found the following review helpful. Five Stars By Ratspinkie Great volume of beautiful photos. Whets my appetite to go back to Colonial Williamsburg. 0 of 0 people found the following review helpful. This is a wonderful book for people who love revolutionary war-era architecture By Laurel Pritchard This is a wonderful book for people who love revolutionary war-era architecture. As do we. A friend showed us his copy and we had to have our own. Great stuff! 1 of 1 people found the following review helpful. Nicely done! By Janice Nelson I never got to the Houses of Williamsburg, because I was so busy gawking at everything else, so this was a true treat!

For anyone who has dreamed of living in a Colonial-style home, this showcase of Colonial Williamsburg standouts is an irresistible wish book. And for the home design do-it-yourselfer, it is even more than that. Domestic design and construction expert and award-winning historic preservation writer Hugh Howard provides a tour of favorite Colonial Williamsburg restorations that will fast become a primary resource of ideas and no-nonsense information. This magnificent treasury presents each house in beautiful new color photographs and an easy-to-read floor plan, revealing all the characteristic architectural details that define the Williamsburg style. Relating the stories of the restoration projects that gave these structures new life, this book covers large and elegant dream houses along with equally charming smaller houses, including those that are open to visitors as well as rarely shown private examples. Colonial Houses will have enormous appeal for the 800,000 guests who flock to Colonial Williamsburg each year, and for all

those who simply love its aesthetic.

About the Author Hugh Howard writes about historic architecture from his home in Red Rock, New York. His books include *Natchez: The Houses and History of the Jewel of the Mississippi*, *Wright for Wright*, *House-Dreams*, *The Preservationist's Progress*, and *Thomas Jefferson, Architect*. Radek Kurzaj is a travel and architecture photographer based in Szczecin, Poland, and New York City. His work has been featured widely in international magazines and books, including Abrams' *Living Large in Small Spaces* and *American Country Churches*.
