**Gerry Roach : Colorado's Indian Peaks: Classic Hikes and Climbs (Classic Hikes Climbs S)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Colorado's Indian Peaks: Classic Hikes and Climbs (Classic Hikes Climbs S):

1 of 1 people found the following review helpful. Gerry Roach's guidebooks are wonderful, and the fruit of his manyBy Peter M. AlexanderGerry Roach's guidebooks are wonderful, and the fruit of his many, many years climbing

just about every peak and hiking just about every trail in Colorado. It's a shame this is not available in print form, since the kindle version is not always easy to find your way around, but I would not want to plan hikes and climbs in this wonderful area without access to this book.0 of 0 people found the following review helpful. Great book! A ton of detailed descriptions of routes ...By MattGreat book! A ton of detailed descriptions of routes and climbs...Gerry really knows his stuff!3 of 4 people found the following review helpful. Don't buy "2nd edition" unless you're blindBy Thomas D. KehoeThe "2nd edition" (2010) from Read How You Want Press is identical to the 1998 edition, except they've increased the font size to 16 points (HUGE), made the book bigger (8" x 10") and heavier, and doubled the price. Save your money and get a the older edition, which you can carry with you on a hike.

In this concise and fully updated guidebook, Gerry Roach shares his firsthand knowledge and experience, offering us a chance to explore some of Colorado's finest mountain trails.

About the AuthorGerry Roach started climbing in Colorado in 1955. Among his numerous accomplishments, Gerry is the second person ever to climb the highest peak on each of the seven continents. In more than 50 years of mountaineering, he has climbed in dozens of states and countries.
