Customize your own unique balance of history, geography, and culture with your choice of eight small-book or two full-volume options! Using standards-based content and research-proven reading instruction, World Studies expands students' understanding of each world region through a focus on its major countries. Considerate text design and narrative combine with enhanced reading strategies such as Target Reading Skills and key terms defined in context to make lessons accessible to students at all levels.

From BooklistDK updated three atlases in 2003. Atlas of the World has more than 450 maps, Concise Atlas of the World has around 400 maps, and Compact Atlas of the World has around 60. In the two larger atlases, maps are surrounded by plenty of facts and graphics. Among the revisions is the new name for the former Yugoslavia. RBBCopyright American Library Association.
