Renee White : Complete French Grammar Review (Barron's Foreign Language Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete French Grammar Review (Barron's Foreign Language Guides):

0 of 0 people found the following review helpful. Overall the book is good. HoweverBy JacquotOverall the book is good.However, the discussion of the pronunciation of "plus" is inadequate. The use of English quotation marks instead of the French guillemets when discussing direct discourse in French is both wrong and aggravating. It doesn't look like

the answers to the practice exercises were thoroughly checked. 1 of 1 people found the following review helpful. My reference book
By Tricia McKay I don't just use this book to do the exercises, which are great, especially with being able to check your answers and quietly look at where you went wrong in your time, unlike in class. Because the sections are itemised, I can go straight to whatever section I am currently studying in class and look at what I did, or just complete the exercise and check results. The fact that it is in English as well just makes it so easy. 0 of 0 people found the following review helpful. Five Stars
By Customerwell organized review

A brand-new title in Barrons Foreign Language Guides and the latest in the foreign language Grammar Review series, this book covers virtually every rule of French grammar and usage. Following a summary of rules for correct pronunciation and spelling, the author goes on to review verb tenses, as well as reflexive verbs, the subjunctive, the imperative, and infinitive verb forms. Rules governing nouns, pronouns modifiers, prepositions, interrogatives, and negative forms are also examined in detail. The books final chapters cover miscellaneous topics such as numbers, time and dates, idioms, synonyms, antonyms, and cognates. Interesting French cultural notes can be found throughout the text. This book makes a fine reference guide and review manual for intermediate students of French on a high school or college level. Includes practice questions with answers.
