Marcel Danesi Ph.D. : Complete Italian Grammar Review (Barron's Foreign Language Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Complete Italian Grammar Review (Barron's Foreign Language Guides):

1 of 1 people found the following review helpful. Four StarsBy ZCGreat book, there are some errors though but overall a good help1 of 1 people found the following review helpful. Good Italian TextBy BillyboyThis is the Italian textbook that my teacher is using for Intermediate Italian.....I could use more drills, especially in the verb tenses.....this book is a "grammar review".0 of 0 people found the following review helpful. Three StarsBy Samuel

Cortez All I expected. The delivery was on time. Thank you.

This title, the first in Barrons brand-new series of grammar review books, presents a complete overview of grammatical terms, parts of speech, and how they work together in the Italian language. An opening section presents the basics of Italian pronunciation, spelling, and sentence structure. Sections that follow cover all verb tenses and moods, nouns, adjectives, prepositions, and adverbs. A final multi-chapter section deals with several need-to-know subjects including the difficult Italian verb *piacere*, idiomatic expressions, numbers, telling time and dates, and a summary of basic conversation and writing techniques. A special feature is a series of Culture Capsules presented throughout the book in Italian, describing interesting aspects of Italian culture, and supplemented with a bilingual glossary. Exercises with answers are presented at the end of each chapter, and word lists and verb charts are presented at the back of the book.

From the Back Cover (back cover) COMPLETE ITALIAN Grammar Language students will value this complete overview of Italian grammatical terms and parts of speech. It presents a thorough review of Italian verbs in all tenses, as well as the subjunctive, the imperative, reflexive verbs, and other aspects of verb usage. The section that follows reviews all other parts of speech: nouns, articles and partitives, adjectives, pronouns, adverbs, and prepositions. Also reviewed are idiomatic expressions, numbers, telling time and dates, and a summary of basic conversation and writing techniques. The book's added features include Culture Capsules in Italian throughout the book, describing interesting aspects of Italian culture. They're supplemented with a bilingual glossary. Exercises with Answers at the end of each chapter. Word Lists and Verb Charts at the back of the book.
