3 of 3 people found the following review helpful. Perfect to learn Spanish! By A. T. Still working through this book...this is the second system I have purchased from Juan Kattan-Ibarra, and his books are truly in a teach yourself format that you can use to teach your entire family! 1 of 1 people found the following review helpful. It is very basic but has good information for someone just starting out. I was looking to get closer to fluency and this book is not for that. 1 of 1 people found the following review helpful. I liked it at first. By Marcia Moore I liked it at first, but by the time I used the second CD and realized it wasn't working properly. It was too late to return. So I haven't used anymore.
