J. Carl Laney : Concise Bible Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Concise Bible Atlas:

2 of 2 people found the following review helpful. very interestingBy duhIt is so wonderful to learn about the places in the Bible. Some passages come to life when one understand the geography of the places written about.1 of 1 people found the following review helpful. Five StarsBy Blaine T.Great format.0 of 0 people found the following review helpful. Five StarsBy CustomerExactly what I was looking for at a decent price

Understanding biblical geography allows one to more fully comprehend the dramatic events of the Bible. This popular-level historical and geographical survey of the Bible acts as a handbook to help the reader become familiar with some of the main physical and climatic features of the Holy Land. It combines vivid, easy-to-read commentary with 39 maps and 50 photographs. Sixteen historical periods are discussed, including the Intertestamental Period and present day geography. The book traces the Bible chronologically and examines historical periods and major biblical events in the context of their geographical settings.

About the Author J. Carl Laney is Professor of Biblical Literature at Western Conservative Baptist Seminary in Portland, Oregon.
