Jordan Worek : Connecticut (America the Beautiful) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Connecticut (America the Beautiful):

0 of 0 people found the following review helpful. Visiting Connecticut...By HMS Warspite This picture book is part of a larger series on America the Beautiful, but you don't have to go any farther than Connecticut to find gorgeous scenery and lots of American history. Connecticut is a small state, but offers varied terrain, from the seashore of Long Island Sound to the surprising spectacular Litchfield Hills, and much forest and farmland in between. As the book will show, Connecticut's history goes back to the first European settlements in New England, and its present day features a pleasing mix of the old and new. Connecticut's fall foliage is not to be missed. Recommended as a gift or a souvenir. 1 of 1 people found the following review helpful. Photos are decent yet not breath taking and I find ...By Marie Kristine Photos are decent yet not breath taking and I find the book could have had more factual data - as mainly a photo book. 0 of 0 people found the following review helpful. Great book! By Sharon Downey Great book!! Beautiful photography nice captions details on CT towns areas. I gave as a parting gift to a coworker who was moving out of the state, as a remembrance. She loved it!!

The America the Beautiful series takes readers on a photographic tour of the country's most beautiful states and most vibrant cities. Top photographers contribute their best images of both well-known destinations and hidden gems, and

clear and informative captions bring each scene to life. These handsomely designed books show the beauty of each destination and will be enjoyed by visitors and locals alike. As one of the Thirteen Colonies, Connecticut is home to Revolutionary War sites that attract many visitors. It is also well known for its many educational institutions, particularly Yale University and UConn. Some of the other highlights captured in this handsome new addition to the America the Beautiful series include: Sites old and new in the beautiful capital, Hartford Historic New Haven and the coastline along Long Island Sound The rolling mountains and horse farms of Litchfield Hills The Nathan Hale homestead and Putnam Cottage Outdoor fun on the Connecticut River and the Appalachian Trail Connecticut has something for everybody: a thriving arts scene, bustling towns, zoos, aquariums and some of the prettiest countryside in the eastern United States -- enough to get anyone out exploring.
