DeLorme : Connecticut/Rhode Island Atlas and Gazetteer (Delorme Atlas Gazetteer) before purchasing it in order to gage whether or not it would be worth my time, and all praised Connecticut/Rhode Island Atlas and Gazetteer (Delorme Atlas Gazetteer):

3 of 3 people found the following review helpful. Will get you there by routes you may not have found before.By Ken

Bailey I've found these to be the best. As an avid motorcyclist seeking the challenges of tarmac, I just look for the squiggliest lines and try to get to them. I really appreciate knowing in advance whether I'm climbing a mountain or squeezing into a narrow gorge. 0 of 0 people found the following review helpful. Connecticut and Rhode Island...By HMS Warspite DeLorme publishes very decent atlases, including this one of the two smallest New England states, Connecticut and Rhode Island. The maps in the book are at a scale of one inch to 11 miles, and the detail is fairly good outside downtown metropolitan areas. Certainly, the map sheets are good enough to anywhere a driver might need to go. Not necessarily useful for off-road navigation. The atlas includes a gazetteer and listings of parks and recreation sites. Recommended. 0 of 0 people found the following review helpful. They are high quality and super detailed. I love geography and am a map ...By Chuck Strawberry I have the DeLorme atlases for all 50 states. They are high quality and super detailed. I love geography and am a map collector and I highly recommend them

Wouldn't it be nice to always have exactly the right kind of map, whatever your needs may be? You will, with the uniquely versatile DeLorme Atlas Gazetteer Series. These topographic atlases cover individual states with the most comprehensive detail available, including back roads, backwater lakes and streams, boat ramps, forests, wetlands, trailheads, campgrounds, public lands, prime hunting and fishing spots, and countless landmarks and points of interest. You'll also find a wealth of information on everything from family outings to wilderness adventures. The Atlas Gazetteer is ideal for outdoor recreation, business travel, home or office reference, and countless other uses. Connecticut Rhode Island Gazetteer categories Attractions Campgrounds Fishing Golf Courses Historic Sites Hunting Paddling Recreation Areas Scenic Drives Ski Areas Trails Unique Natural Features Suggested Uses In-vehicle for everyday reference Exploring back roads Outdoor recreation preparation and navigation Business travel Planning vacations and leisure activities Armchair journeys

About the Author DeLorme has been directly responsible for many of the major technological advances made in the mapping industry over the past 30 years.
