It's perfect, to learn Arabic of PalestineBy Tony NguyenIt's perfect, to learn Arabic of Palestine. I read and followed instructions and it helped me speak this amazing dialect. The trick to this program is consistency, consistency, consistency and you will establish a perfect basis to become fluent.

THIS BOOK DOESN'T CONTAIN ANY ARABIC LETTERS! ALL ARABIC WORDS IN THIS BOOK WERE WRITTEN IN ENGLISH-TRANSLITERATION! IF YOU NEED EXTRA ASSISTANCE IN THE PRONUNCIATION THEN PLEASE PURCHASE THE AUDIBLE VERSION! Have you always wanted to learn how to speak the Palestinian Arabic Dialect but simply didnt have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations workdiscoveries that are detailed further in this bookNitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversantnow. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Arabic, this book is not for you. However, if you need to actually hold a conversation while on a trip to the Holy Land, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This book is recommended for those who already have some prior knowledge of the pronunciation of Arabic accents (such as the Arabic accents: ayin, ghayn, ha, and khaf). For those of you who do not, this book does indeed provide some great, in-depth techniques on the pronunciation and recognition of these accents, that you will encounter throughout the program. These techniques have proven extremely beneficial for beginner students who were previously unfamiliar with these accent pronunciations. But keep in mind this isnt a pronunciation book. Palestinian Arabic slightly varies throughout different areas of Israel and Palestine, the dialect in this book is of the central West Bank (Ramallah/Bethlehem area) dialect. In Palestinian dialect, verb conjugation is irregular and this book will NOT teach you those skills since this is NOT a grammar book. This method is designed for fluency in a foreign language, while communicating in the first person present tense. Nitzany believes that whats most important is actually being able to understand and be understood by another human being right away. Therefore, unlike other courses, all words in this program are taught in English transliteration, without having to learn the complex alphabet. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany Methods revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With Conversational Arabic Quick and Easy, all you need are forty-six pages. Learn Palestinian Arabic today, not tomorrow, and get started now!
