ITM Canada : Cook Islands Travel Map (varying scales) (International Travel Maps) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cook Islands Travel Map (varying scales) (International Travel Maps):

1 of 1 people found the following review helpful. Rather general map
By Ness
This map is rather general , and in the case of the main island - Rarotonga - does not show many locations of interest to the visitor. I found the maps in the guide books or promotional maps printed by the Tourist Authority to be of much more use, but there is not much on the market when it comes to larger size maps. Good for those who wish to visit some of the smaller, less advertised islands.

Good map

Folded travel map, scale varies 1:25,000/1:100,000. Legend includes tracks, accommodation, airstrips, beaches, caves, cemeteries, churches, diving/snorkeling sites, gas stations, golf courses, points of interest, restaurants, ruins/archaeological sites, view points, cliffs, reefs. Includes brief history of the islands and an inset of Avarua Town.

About the Author
ITMB Publishing (International Travel Maps and Books) of Vancouver, Canada, has published detailed reference and travel maps of countries, regions, and cities around the world since 1985. The company's titles include many that are unique or the first of their kind, including the first commercially available travel map of South America.
