Janet Groene : Cooking Aboard Your RV before purchasing it in order to gage whether or not it would be worth my time, and all praised Cooking Aboard Your RV:

0 of 0 people found the following review helpful. Two Stars By rvbiker Too fancy recipes for our camping 0 of 0 people found the following review helpful. ... are going to start RVing and I am a good cook in our kitchen at home but not out ... By winsey We are going to start RVing and I am a good cook in our kitchen at home but not out on the road, this book had great easy recipes and very helpful advice on arranging the kitchen, etc. I would buy it and give it as a gift. Thanks. 0 of 0 people found the following review helpful. Four Stars By Jeffrey S. Kline Stays in my RV now. :)

Written for long-term live-aboard RVers and casual weekenders, *Cooking Aboard Your RV* addresses the unique problems faced by RV cooks--limited water, insufficient counter space, and little room for the extra appliances of today's kitchens. This new edition is fully updated with: Instructions for using a combination convection-microwave oven Hundreds of recipes for every palate and dietary preference, adapted to the confines of the small RV galley Ingenious tips on making the most of limited counter and storage space Helpful illustrations
