Kim Cool : Cool Road Trips in SW Florida before purchasing it in order to gage whether or not it would be worth my time, and all praised Cool Road Trips in SW Florida:

0 of 0 people found the following review helpful. Three StarsBy Jason RapozaLittle outdated0 of 0 people found the following review helpful. Three StarsBy Judith L. TannerNot too much new here.1 of 1 people found the following review helpful. No need to get bored.By Jerome MccarthyNo excuse now for you SW crackers to be bored on weekends. So many one day trips, which you can make longer if you wish.

SW Florida offers something for every road tripper. Cool SW Florida Road Trips does the same, offering road trip guidance to gardens and "gators as well as suggestions for making the most of the big theme parks. Directions from the interstates, phone numbers and Web sites are included, making the book a useful tool for residents and visitors. The regional grouping makes it possible to combine two or more destinations for a single road trip. Several railroad trip suggestions enhance the list. While no one book could possibly list all the SW Florida road and rail possibilities, Cool Road Trips" offers more than most, including some 60 separate destinations as well as lists of sport and entertainment venues in four regions along the I-4 and I-75 corridors of SW Florida.

"Kim Cool has discovered a treasure trove of must-see excursions ... a comprehensive, easy-to-understand compendium of fantastic places" --Cliff Roles, host of Talk of the Suncoast, 1220 AM, Sarasota, FL"Get two one for home and one for the glove compartment!" --Cliff Roles, host of Talk of the Suncoast, 1220 AM, Sarasota, FLAbout the AuthorKim Cool, an award-winning reporter and longtime travel writer has traveled these roads, logging thousands of miles in search of special places for all the road trippers who will read this book.
