By John Boley
Some road numbers are hard to read but it is very useful, particularly if you orient yourself ahead of time. Very complete and detailed but the driver needs either an assistant while on the road or having written directions ahead of time as it would be awkward to use on the fly.

By Perf
This map came in handy immediately after leaving the airport (GPS failed) and for the rest of my two week stay. Give me a hardcopy anyday!

Marco Polo maps feature completely up-to-date, digitally generated mapping. The high quality cartography with distance indicators and scale converters aid route planning. Includes 3 city plans: Barcelona, Girona and Tarragona. A fold-out overview map is ideal for route planning and 7 self-adhesive Marco Polo mark-it stickers can be used to pinpoint a destination or route for future reference. Scenic routes and places of interest are highlighted - ideal for touring holidays. Comprehensive index. The map scale is 1: 200 000.
