map. We did not have a GPS and would have been lost without this map. All other maps we had did not have as much detail as this one. Don't leave home without it!!!0 of 0 people found the following review helpful. Five StarsBy The DuckMap is plastic coated rather than plain paper. Arrived sooner than expected and fairly priced.

The optimum holiday mapsfor exploring, sight-seeing, shopping and much more. The handy, pocket format is easy to use and carry on your trip. The laminated finish means the map is waterproof, durable and tear-resistant. The detailed scale shows even the smallest streets and it includes an extensive street index.
