0 of 0 people found the following review helpful. The true magic of Costa Rica is found in Bosques Magicos. By CustomerAn amazing publication with photographs that have captured the true vision and feeling of Costa Rica. I was so impressed that I bought a second copy for my Aunt who accompanied me on the trip to Costa Rica in January and February of this year. The information in the text is completely accurate and fascinating. A superb selection of locations and fantastic depiction of fauna and flora. Definitely Five Star. 0 of 0 people found the following review helpful. Five Stars By CustomerAmo este libro!
