Juan Jos Pucci, Sergio Pucci : Costa Rica Pura Vida (English and Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Costa Rica Pura Vida (English and Spanish Edition):

It has the most incredible photos of Costa Rica, cementing the visual impressions my wife and I had in visiting the country recently. Some books look pretty and make a nice "initial impression". Costa Rica Pura Vida grabs your heart every time you open its richly pictured pages. The vistas are so compelling, new insights occur with every viewing.1 of 1 people found the following review helpful. Beauty of Costa RicaBy SunnyI vacationed in Costa Rica and this colorful book was in our suite. We had such a wonderful time I wanted this book to remind me of the beauty of Costa Rica.1 of 1 people found the following review
