Climbing Map : Cotopaxi (Ecuador) 1:40,000 Climbing Map before purchasing it in order to gage whether or not it would be worth my time, and all praised Cotopaxi (Ecuador) 1:40,000 Climbing Map:

Cotopaxi (Ecuador) 1:40,000 Climbing Map Double-sided climbing and trekking topographic map of Cotopaxi at 1:40,000. Also included is an overview map at 1:250,000 covering the area between Quito and Cotopaxi. Several diagrams show climbing routes from the south and north; a row of volcanoes called "Avenida de los volcanes"; vegetation; geological profile of Cotopaxi. Added are small inset maps of nearby volcanoes of Imbabura, Cayambe, Pichincha, Ilinizas and Chimborazo plus a simplified street plan of central Quito. Map legend and informative text is in English, Spanish and German. The map is GPS compatible.
