Amr Badawy : - Couch Traveler in Iran before purchasing it in order to gage whether or not it would be worth my time, and all praised - Couch Traveler in Iran:

1 of 1 people found the following review helpful. a great travel book that is quite different than any other ...By osama elshafia great travel book that is quite different than any other travel book I have ever read. I have travelled a lot and read so many books while travelling. This one is different. It incorporates history with the lives of the people of Iran in such a unique way. I felt as if I had been there by the time I finished the book. Needless to say it made me plan a trip to Iran ASAP.
