Geographical Association : Countries of the World (Collins Primary Atlases) before purchasing it in order to gage whether or not it would be worth my time, and all praised Countries of the World (Collins Primary Atlases):

0 of 0 people found the following review helpful. Five StarsBy CustomerGreat!

Every primary school needs this brightly coloured map of the world's countries. Uncluttered with unnecessary detail, this is a great visual aid for kids to learn geography and advance their understanding of the world. The map is clearly labelled with country names and oceans making it ideal for teaching the location of places.

About the AuthorExplore the world through accurate and up-to-date mapping.
