**National Geographic Maps - Trails Illustrated : Cowdrey, North Sand Hills (National Geographic Trails Illustrated Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cowdrey, North Sand Hills (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Another great map!By Cool CriticNational Geographic did a great

job with this map. It is very sturdy and easy to read! I recommend it highly to anyone visiting the area.

**Waterproof Tear-Resistant Topographic Map** Enjoy the abundant recreational opportunities in northern Colorado with the help of National Geographic's Trails Illustrated map of Cowdrey and North Sand Hills. Expertly researched and created in cooperation with the U.S. Forest Service, Bureau of Land Management, Colorado State Parks and others, the map will guide you off the beaten path and back on again with unparalleled detail of the area. Coverage includes popular recreation spots, such as Roosevelt and Routt National Forests; Platte River and Rawah Wilderness areas; Lake John, Richard, Cowdrey Lake and Diamond J State Wildlife Areas; State Forest State Park; Medicine Bow Mountains; and North Platte River. Mapped trails, Forest Service roads and BLM routes are marked for hiking, road or mountain bike, snowmobile, OHV or motorized use. To aid in your navigation, the map also includes contour lines, elevations, labeled peaks, summits and passes, water features, areas of wooded cover, selected waypoints and clear color-coded boundaries between different land management agencies. Some additional recreation features pinpointed are campgrounds, picnic areas, river access points, boat launches, fishing areas, RV dump stations and wildlife viewing. Additionally, wilderness regulations, survival tips, Leave No Trace guidelines and essential contact information is provided. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Independence Mountain, Lake John, Medicine Bow Mountains, Rawah Wilderness, Roosevelt National Forest, Routt National Forest. Map Scale = 1:40,680 Sheet Size = 22" x 32" Folded Size = 4" x 7.5"

**About the Author** Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
