National Geographic Maps - Adventure : Crete [Greece] (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Crete [Greece] (National Geographic Adventure Map):

0 of 0 people found the following review helpful. OK By Lindsay Betteridge This map leaves a bit to be desired. The map has eastern side of the island on one side and the western side on the other. My intention was to hang this up in our house and pin all the places we visit while we're here. This is no longer an option due to the dual sided map. The material is good and appears to be waterproof. 0 of 0 people found the following review helpful. Excellent Map By LCDRJMCE Excellent map. Each side of map divided into either East or West side of island. Map's large scale reveals all the small villages, tourist sites, and anything else you might wish to find. 0 of 0 people found the following review helpful. I got better maps online By Dark Siren This wasn't really helpful. I got better maps online. Adding the KTEL bus lines in would've made this indispensable.

Waterproof Tear-Resistant Travel Map National Geographic's Crete Adventure Map is designed to meet the needs of adventure travelers with its detailed, accurate information and user-friendly design. This map includes the locations of thousands of towns and villages, plus a clearly marked road network complete with distances and designations for expressways and roadways. Secondary roads, tracks, and paths are included for adventurers seeking to explore more remote regions. With specialty content to include hundreds of diverse and unique recreational, ecological, cultural, and historical destinations, this map is a perfect companion to a guidebook. Whether your aim is to see the manmade attractions such as antiquity sites, churches, monasteries, and monuments, or you'd like to explore the natural beauty of Crete on its beaches and hiking trails, this map will prove invaluable in your travels. The front side of the print map details the eastern region of the island with the Sea of Crete to the north. The reverse side of the map shows the western region of the island with the Aegean Sea to the north and the Mediterranean Sea to the south. The locations of airports, airfield, harbors, and ferry routes take the guesswork out of travel around the island. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:150,000 Sheet Size = 37.75" x 25.5" Folded Size = 4.25" x 9.25"
