Warren Ohlrich : Cross-Country Skiing and Snowshoeing, Aspen and the Roaring Fork Valley before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross-Country Skiing and Snowshoeing, Aspen and the Roaring Fork Valley:

This guidebook for Colorado's Roaring Fork Valley details the opportunities for both cross-country skiing and

snowshoeing in and around the towns of Aspen, Ashcroft, Snowmass Village, Basalt, Carbondale, Redstone, and Glenwood Springs. The book features route descriptions for both snowshoeing and skiing, details and maps of Nordic track systems, uphill snowshoe routes on local ski mountains, route suggestions by ability level, accurate directions to trailheads and access points, maps of all routes, snowshoe/cross-country races and events, and more. Cross-country skiers will find many options for track skiing and Nordic touring. Snowshoers will find local tours on old roads and trails, recreational climbs on ski mountains, and trips into areas not otherwise easily accessible in the winter.
