Tim Hauserman : Cross-Country Skiing in the Sierra Nevada: The Best Resorts Touring Centers in California Nevada before purchasing it in order to gage whether or not it would be worth my time, and all praised Cross-Country Skiing in the Sierra Nevada: The Best Resorts Touring Centers in California Nevada:

0 of 0 people found the following review helpful. old but still pertinentBy Jerry Chilcott10 year old info, but still useabl.0 of 0 people found the following review helpful. Snow soon for renewed joyBy Dr. KoakaiA great read from a great instructor.2 of 2 people found the following review helpful. Great guide to Sierra Nevada XC skiingBy Laura ReadWith brevity and charm, Hauserman shares his thorough knowledge about local and regional cross-country ski areas. (There are 13 between Mt. Shasta and Yosemite.) Anyone yearning to get out there on skinny skies - either as a novice or as a veteran looking beyond the everyday workout - should buy this book. For beginning skiers, Hauserman

breaks down the complexities of this oft-misunderstood sport and tells where to get more help on the web or at local ski shops when you need it. For veterans, he provides ski maps, directions, resort highlights, activities and even a little natural history. The chapters and guide entries are straightforward. During his two-plus years of field research, Hauserman explored thousands of kilometers of trails and ate in every resort restaurant (for research, of course!). He checked out local lodgings and interviewed managers and local skiers. The end result is a book that clarifies details and whets appetites for the best of the Sierra Nevada's groomed resort terrain.

Everything you'll need to know to enjoy cross-country skiing in the Sierra Nevada. Cross-Country Skiing in the Sierra Nevada provides detailed descriptions of 13 cross-country ski resorts in California and Nevada, including favorite trails, races and events, five reasons to go to that resort even summer bonus items. Learn how to ski, what to wear, how to stay safe on the trail, and most importantly, how to have fun. To zero in on the best ski area for you, turn to "Best Ski Areas to..." for the best places to see beautiful views, get good grub, ski all day long, the best place to ski on a snowy day and much more.
