Andrew Niall Egan : Crossing the Darien Gap: A Daring Journey Through a Forbidding and Enchanting and Roadless Jungle That Is the Only Link by Land Between North America and South America before purchasing it in order to gage whether or not it would be worth my time, and all praised Crossing the Darien Gap: A Daring

Journey Through a Forbidding and Enchanting and Roadless Jungle That Is the Only Link by Land Between North America and South America:

0 of 0 people found the following review helpful. Travel Beyond The Roads EndBy ScottReally enjoyed reading about Andrews adventure! I went into the book with little knowledge about the Darien Gap and was transported into the depths of Panama and Colombia through his writings! Really enjoyed learning about some of the indigenous tribes and people he met along the way! Highly recommend this to anyone who enjoys travel reads or is interested in Central / South America!0 of 0 people found the following review helpful. Recommended ReadingBy Michael J.

KlimkoskyReally good read. Enjoyable. The only minor complaint is the lack of pictures.I would be fascinated to read a "Back to Darien Gap" book should the author brave doing a return trip in 2015-2016.0 of 0 people found the following review helpful. read this if you appreciate true adventureBy doninarkFery good book for anyone wanting to know about this remote area. Author is a true 'adventurer' and writes clearly. though not a 'gifted' writer, he tells the story in an engaging manner.,

If you ever plan to travel between North America and South America, you must consider that there is no road. Ten hours southeast of the Panama Canal, the Pan-American Highway penetrates the jungle, shrivels into a footpath and dies. The highway resurrects in Colombia, another continent. But the land between the two countries is a vast and primitive realm. On a map the two ends of the highway appear as two slivers of life, separated by the unknown. Filling this void is a rugged wilderness known as the Darien Rainforest. Because the Darien hinders all contact by land between North America and South America, it has earned the name "the Darien Gap." Yet most travelers never encounter the Darien Gap. When they go to South America they fly or perhaps take a boat. I decided to cross the Darien overland, traversing from Panama to Colombia by foot and riverboat.

About the AuthorAndrew Niall Egan has explored isolated Canadian forests, endured Central American jungles, and survived African war zones. Born in 1970 in Dublin, Ireland, he grew up in Toronto, Canada. Andrew has diplomas in radio and television broadcasting and print journalism. He has worked as a newspaper features writer, a television reporter and a book publisher. After traveling on a sailboat for a year, he settled in Florida. He is now a real estate broker and manager of a real estate investment company.
