Larry Ludmer : Cruising Alaska before purchasing it in order to gage whether or not it would be worth my time, and all praised Cruising Alaska:

0 of 0 people found the following review helpful. Four StarsBy JeannetteA good book for cruising Alaska, I like the detail.25 of 25 people found the following review helpful. Concise, easy-to-read, candidBy A CustomerConcise, easy-to-read information fills every page of this bestseller. Unlike most cruise guidebooks, Cruising Alaska puts the

emphasis on hard facts - not pretty pictures. Every detail is here, including stateroom size, passenger-crew ratio, dining options, current cruising routes, ship decor, onboard facilities and more. A candid analysis of the routes is given for every ship in Alaska this season, with details on the highlights, as well as what is missed. Maps, index. 15 of 15 people found the following review helpful. Good Investment By Vicki J. Buying this book prior to my Alaska cruise proved to be well worth the investment. Per Ludmer's suggestion, we rented a car in Skagway and drove to Carcross, Yukon, Canada. What a wonderful outing away from the ship and for less than 25% the cost of us all taking the train. Get more tips from Ludmer by reading this book.

This guide to cruising Alaska contains concise, easy-to-read information on every Alaskan-bound cruise-ship, covering stateroom size, dining arrangements, passenger/crew ratio and all amenities. Included are: cruising itineraries for each vessel with the pros and cons of each route; walking tours for all ports of call with town maps and details of museums and historical tours; and coverage of smaller "explorer" boats which are able to take passengers very close to the glaciers.

About the Author Larry Ludmer is a professional travel writer specialising in the wilder and more inaccessible tourist areas of the United States.
