W.E. Welbourne : Cruising the Latin Tapestry before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cruising the Latin Tapestry:

0 of 0 people found the following review helpful. A journey like no otherBy Shelly RI love to watch travel shows and see pictures so I figured why not read a travel book. I myself do not actually like to travel. I found this book and decided it would be an interesting read that covered a lot of ground.I was not disappointed reading this book. The details are amazing and very on point once you see the pictures that accompany them. I took my time reading this book so I could soak in the history I was reading about. I'm not big on history and learning it from a book takes awhile for me. So for me this was a slower paced book so I could retain information better.After reading this book it makes me want to take a cruise and actually travel. Sadly for me I don't do well traveling but the book really inspired me to take more of an interest in checking out more travel related books.I would recommend this book to any who loves to travel, enjoys reading about travel, and brushing up on some history lessons as well. A great read with tons of detail and beautiful pictures.

Cruising the Latin Tapestry is a travelogue and adventure story of the MV Voyagers circumnavigation of South America in early 2013 as experienced by the author and his partner. It provides an interesting insight into the extraordinary beauty and colourful vigour of Latin America that a traveller can expect by visiting this fascinating continent.

About the Author Bill Welbourne lives on the Mornington Peninsula, Victoria. Teaching at schools in Rabaul, Papua New Guinea during the 1960s, he played a key role as CEO to that countrys Independence, 1975. From 1976 he taught at Brisbane Boys College for 22 years. He has a BA (economics) from the Queensland University. A champion athlete, he represented PNG in two South Pacific Games. He was 400 m hurdles champion of NSW, 1962 and World Masters Games Champion, Brisbane 1995. He is a consummate traveller, visiting all corners of his own country as well as every continent. He has decided to put pen to paper in this his first book.
