By HOWARD STEVEN There are a number of wonderful books of photography about Cuba. Lorne Resnick's is one of the greats. I have visited Cuba 5 times since 2000. As captivating as Cuba is visually, the soul of the country is its people. Mr. Resnick's book has the ability to evoke the time, place and people of Cuba, unlike any other book on the subject I have seen. Enjoy! 0 of 0 people found the following review helpful.
