James Grant, Jamie Grant : Culture Shock Scotland (Culture Shock! A Survival Guide to Customs Etiquette)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Culture Shock Scotland (Culture Shock! A Survival Guide to Customs Etiquette):

19 of 20 people found the following review helpful. An Excellent Overview of Scotland By Customer I read this book in

April of 2002 before going to Scotland for ten days on business and pleasure. Please pardon the lack of detail in this review, since it has been a year. It gave me a good foundation for understanding many aspects of Scottish society and history. I did not want to read a simple tourist reference guide about the attractions of Scotland-I desired to know more about the people and culture. It turned out to be a terrific book was for me. Author, Jamie Grant, touches uses his "Guide to Customs and Etiquette" to describe history, stereotypes and the nature of the people, "fitting in", doing business, arts entertainment, food drink, the outdoors, The Highlands, and Do's and Don't. His humor makes helps to make an already interesting book fresh. I HIGHLY recommend this book to anyone going to Scotland who wants to get a comprehensive overview of Scotland, especially if it is their first time. I learned a lot from it.-EH

Whether you travel for business, pleasure, or a combination of the two, the ever-popular "Culture Shock!" series belongs in your backpack or briefcase. Get the nuts-and-bolts information you need to survive and thrive wherever you go. "Culture Shock!" country guides are easy-to-read, accurate, and entertaining crash courses in local customs and etiquette.
