Heloise Crowther, John Forrest, Julia Porturas : Culture Smart! Peru (Culture Smart! The Essential Guide to Customs Culture) before purchasing it in order to gage whether or not it would be worth my time, and all praised Culture Smart! Peru (Culture Smart! The Essential Guide to Customs Culture):

Whether you are traveling in luxury or with just a pack on your back, it's important that you have a safe, fun, and easy-going trip. Bad etiquette and a misunderstanding about customs can put an otherwise very exciting trip on hold faster than a bad case of food poisoning. The CULTURE SMART! titles are not your basic travel guides: they are consistently updated customs and etiquette references for more than 25 countries. Now more than ever, travelers are more than just sightseers and tourists; they're ambassadors making impressions of the United States wherever they go. You will find this series to be invaluable for pointing travelers to a safe and fun trip abroad.

About the Author John Forrest, of Orillia, retired after 35 years as an educator (teacher, Principal, and Director of Education) and began writing about the exceptional events and wonderful people that have enriched his life. Drawing on his experiences he strives to recreate the emotion and impact of those special moments in life that touch us all. His short stories have been published in the nostalgia magazines "Reminisce" and "Good Old Days", the news magazine "Capper's", in the anthology "A Cup of Comfort for Inspiration" and as the lead story in the syndicated feature page "The Front Porch" which appears in over 100 newspapers in the American mid-west. His works have aired on CBC Radio's First Person Singular, and Richardson's Roundup, and have won first place in competitions held by "The Toronto Sun", "The Orillia Packet and Times", and "The Owen Sound Sun Times". He is included in the forthcoming "Chicken Soup for the Christmas Soul" anthology.
