Doug Dlin : Cybertronian: The Unofficial Transformers Recognition Guide (Volume 2) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cybertronian: The Unofficial Transformers Recognition Guide (Volume 2):

Front cover features a memorable illustration of Optimus Prime by Patrick Thornton with back cover illustration of diving Sharkticons by Joe Wight. Content includes a complete guide to Series 3 Generation I Transformers toys, a spotlight on The Transformers: The Movie, an episode guide to episodes 30-52 of the animated series, plus a comics guide to issues #21-40 of the Marvel Comics series and the three-issue movie adaptation.
