Verlag Esterbauer : Cycle Tour Around the Limfjord, Denmark: BIKE.DK.16.E (Cycline) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cycle Tour Around the Limfjord, Denmark: BIKE.DK.16.E (Cycline):

The Limfjord Route takes you through a landscape of fertile hills and fjord stretching as far as the eye can see, while in the fields animals graze in peace and tranquillity. The Limfjord Route takes you through small, charming villages as well as larger towns with great sightseeing possibilities. This cycling guide contains a lot of topographical maps and colourful pictures that will help you in your journey in northern Denmark.
