Marisa Gierlich : Cycling USA: West Coast (Lonely Planet Cycling Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cycling USA: West Coast (Lonely Planet Cycling Guides):

0 of 0 people found the following review helpful. good guideBy Kuk H.I planned biking in northern California. As i am a foreigner, i was looking for guidebook with mode details on the route and time. The book is quite helpful for schedule in detail.0 of 0 people found the following review helpful. Five StarsBy Benoit ChevalierNice item fast shipping0 of 0 people found the following review helpful. great LA sectionBy Natalie ChwaliszI used it during my trip

to Los Angeles, and loved the suggested rides- beautiful view, strenuous training, good directions.

Written by experienced cyclists who know their way around the West Coast's mountains and back roads, this guide contains detailed planning information to get bikers on track as well as two-colour maps and anecdotes to make the miles fly by.
