Located in the heart of Europe, the Czech Republic boasts distinctive language spoken by over 10 million natives. The country of Milos Forman, Antonin Dvorak, and Milan Kundera is a popular tourist destination, due to its many historic villages and castles, as well as ski resorts and mineral-springs spas. This conveniently sized volume contains essential words and phrases for the traveller and student in both Czech and English. Its basic grammar, pronunciation guide, and two-way dictionary make it the ideal tool for English speakers who wish to learn this language at home or abroad.
