Esselte Kartor : "Daily Telegraph" World Atlas before purchasing it in order to gauge whether or not it would be worth my time, and all praised "Daily Telegraph" World Atlas:

0 of 0 people found the following review helpful. TERRIFIC ATLAS By flowernoire One of the best atlases i have ever seen; clear maps with lots of detail; just the essentials, e.g. no need to show the flags for all countries; perfect size, not too big nor too small and light weight so it is easy to maneuver in one's hands or lap without needing a professional size podium, and it's inexpensive.
