**Rafik Schami : Damascus** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Damascus:

Damascus was Rafik Schami's home for 25 years before he went into exile, and he never forgot it. This Pearl of the Orient is still the city he loves more than any other. 30 years later, and now a prize-winning novelist, Schami leapt at

the chance to write a culinary-cultural book on his former home town.

'Done with aplomb, it has both logic and charm...will no doubt delight foodies' The Spectator
