Recommend Read By John Chadwick A great read, very helpful and a good guide to riding along the Danube.

From its headwaters in the Black Forest of south-western Germany, the Danube flows through some of the most beautiful landscapes in Europe. Pristine flood-plains, picturesque villages and small towns, and a wealth of cultural landmarks line the river as it begins its long march to the distant Black Sea. This bicycle touring atlas includes detailed maps of the countryside and of many cities and towns, precise route descriptions, information about historic and cultural sites as well as background information and a comprehensive list of overnight accommodations. The one thing this atlas cannot provide is fine cycling weather! This third volume covers the Austrian-Slovakian-Hungarian part: from Vienna to Budapest, and takes you through Hainburg, Bratislava, Mosonmagyarvr, Gyr, Komrom, Esztergom and Szentendre.
