James Orr : David Hume and his influence on philosophy and theology before purchasing it in order to gage whether or not it would be worth my time, and all praised David Hume and his influence on philosophy and theology:

0 of 0 people found the following review helpful. Very poor analysisBy CustomerHorrible print quality, one side of page is so faded as to be almost unreadable, the other side was fine. A disjointed, hard to follow analysis. Quotes other

philosophers without providing relevance to Hume. So disappointed. 1 of 1 people found the following review helpful.
Best Read on David Hume By Andrew J. Waskey A clear study of David Hume by a fellow Scotsman who knows nuances of Hume's life and culture. A very helpful read for those who do not want to be led astray by those who use Hume for skeptical purposes.

This book was digitized and reprinted from the collections of the University of California Libraries. It was produced from digital images created through the libraries mass digitization efforts. The digital images were cleaned and prepared for printing through automated processes. Despite the cleaning process, occasional flaws may still be present that were part of the original work itself, or introduced during digitization. This book and hundreds of thousands of others can be found online in the HathiTrust Digital Library at www.hathitrust.org.

About the Author James Orr (1844-1913) was a Scottish theologian born in Glasgow. He ministered at the East Bank Church in Harwick and later was professor of apologetics and theology at the United Free Church College in Glasgow. A highly respected evangelical lecturer both in Scotland and the United States, Orr was a valiant defender of historic orthodoxy in the heyday of liberal Protestantism, as seen in his contributions to *The Fundamentals* (1909-1915) as well as his chief apologetic work, *The Christian View of God and the World*.
