Gillian Birch : Days Out Around Orlando (Days Out in Florida) before purchasing it in order to gage whether or not it would be worth my time, and all praised Days Out Around Orlando (Days Out in Florida):

1 of 1 people found the following review helpful. perfect guide to the non Disney vacationBy I. Skrybailosome of the sites were about an hour away from Orlando but it was worth the trip! great writeups, interesting choices.it's not a huge book but just right for a two week vacation0 of 0 people found the following review helpful. We were fortunate to discover this current and informative guide during the ...By Linda CarmodyWe were fortunate to discover this current

and informative guide during the planning stage of our cycle tour from Miami to New York. This book was invaluable and we used it to help us decide which of the many attractions in this region would interest us the most. It saved us a lot of disappointment and from wasting a lot of our precious time. I wholeheartedly recommend it if you intend to holiday here.

From botanical gardens to horseback safaris, Days Out Around Orlando is packed with hidden gems for both visitors and residents to enjoy. Packed with information, directions, tips and photographs, this guide has something for all ages. Get the lowdown on state parks and natural springs and enjoy Floridas wildlife including alligators, manatees and rare birds. See sponge divers, take an airboat safari, visit historic mansions, tour a winery, cycle down a disused railway line or hire a swan-shaped boat on Lake Eola the choice is yours. This guide book is entertainingly written and brimming with ideas for great days out around Orlando. Best of all, it is full of information from someone who has actually done the trips and thoroughly enjoyed every one of them.

5.0 out of 5 starsperfect guide to the non Disney vacationFebruary 3, 2013
