Judith Frances Duddle : Daytrips Scotland and Wales: 37 One Day Adventures Throughout Both Lands (Daytrips Scotland Wales) before purchasing it in order to gage whether or not it would be worth my time, and all praised Daytrips Scotland and Wales: 37 One Day Adventures Throughout Both Lands (Daytrips Scotland Wales):

0 of 0 people found the following review helpful. Good for tripBy Kindle CustomerWe are getting some great ideas

for our trip. A travel agent friend looked at it and was going to buy it. 15 of 16 people found the following review helpful. A Great Book to buy if vacationing in Scotland and/or Wales
By A Customer
This book has everything you need, from photographs (many other books don't), guided tours, timelines about the Scottish and Welsh heritage, detailed maps, full travel directions (by road, air, bus, train etc.), restaurant and pub suggestions, concise descriptions of places where to visit (museums, walks, distilleries, castles, cathedrals, quaint villages and ports and much, much more). 5 of 6 people found the following review helpful. Not only a great travel book, it helps with Geography History exams
By Alex Waters
I bought this book for my holidays but when I read it I found it helped me with Geography and History as well because the places written about by the author are so in depth. At the back of the book there is both a Scottish and Welsh timeline about who ruled the country and when. I would definitely recommend this book to anyone.

From Neo-Classical cities and historic towns to the beautiful, untouched countryside and tranquil villages, both Scotland and Wales offer something for everyone. Both lands can easily be added to a trip to England, or enjoyed as a destination in themselves. Most of the 37 daytrips described in this brand-new guide can be taken from the base cities of Edinburgh/Glasgow, Shrewsbury, Aberystwyth, or Cardiff. Apart from the usual cathedrals, museums, castles, and stately homes, there are included such attractions as country walks, literary trails, Roman ruins, craft centres, distilleries, glass factories, walled cities with medieval streets, great seaports, quaint hamlets, railfan trips, wildlife expeditions, copper mines, a strange Italian village, the mecca of golf courses, and even the Hogwarts Express.

About the Author
Judith Frances Duddle has always had a keen interest in travelling and thoroughly enjoys the carefree style of daytripping. Even when she worked for the British Government for 13 years, she enjoyed getting away on weekends and taking trips to Scotland and Wales. Living in the North West of England, it only takes two hours of travelling time to reach Wales, where her family now live.
