Tom Harrison : Devil's Postpile Trail Map (Tom Harrison Maps) before purchasing it in order to gage whether or not it would be worth my time, and all praised Devil's Postpile Trail Map (Tom Harrison Maps):

1 of 1 people found the following review helpful. Expensive for such a small area, but accurate.By TGDeepVery expensive for the little that it covers. There are other maps at the same price that also cover this area with as much detail. It is accurate though and got me and friend through some very snowy cross country backpacking trips out there.0 of 0 people found the following review helpful. Tom's maps are excellentBy Chris JanzenAs advertised; inexpensive and good quality0 of 0 people found the following review helpful. First time using a map like this and had zero trouble readingBy foxlake123Used this map for back country camping parts of the John Muir trail. First time using a map like this and had zero trouble reading. Definitely need a compass to orient yourself

Devils Postpile is one of the most interesting, easy access sites in the Eastern Sierra Nevada, California. This shaded relief topo map, printed on waterproof and tear resistant material contains information of all official trails in the area. Included in the map are; Gem Lake, Minarets, Garnet Lake, Ritter Range, Rainbow Falls, June Mountain, Thousand Island Lake, Agnew Meadow, and more. Scale, 1:39,600 (1 inch represents 5/8 mile), contour interval 80 feet, UTM zone 11

About the AuthorTom Harrison is the Deputy Director in charge of development projects at the Jubilee Centre for Character and Virtues at the University of Birmingham. He specialises in research and development programmes relating to character and citizenship education.
