**Charles Aranda : Dichos: Proverbs and Sayings from the Spanish** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dichos: Proverbs and Sayings from the Spanish:

1 of 1 people found the following review helpful. It's great to be able to have this treasure of "dichosBy GrandmaIt's great to be able to have this treasure of "dichos, chiquilliados, adivinanzas, and creencias" They are stated in Spanish, literally translated, and then given the English equivalence of each adage.A real treasure!0 of 0 people found the following review helpful. Four StarsBy Gloria L MontalvoEnjoyed the book very much.2 of 2 people found the

following review helpful. Spanish colloquialismsBy CustomerThis is really a thin little book with much information in it. Liked the terms and sayings, but wish there were more of them.Overall, a good purchase.

Sayings and proverbs are priceless verbal traditions for all to share. And everyone has a favorite. They are unique because in a few words, a deeply serious message can be woven. It is impossible to read proverbs and sayings without learning something important, and perhaps feeling that each one was written especially for you. The proverbs and sayings in this book cause a glow that makes you want to return to them again and again. Also included are rhymes (chiquillados), riddles (adivinanzas), beliefs (creencias) and a bibliography. The Spanish/English text is set in dictionary format for easy reading. A must for those interested in Spanish culture.

Language NotesText: English, Spanish (translation)About the AuthorCharles Aranda was born in Las Vegas, New Mexico and, after serving as a Captain in the Korean War, attended Highlands University where he earned a Master's Degree and was, for many years, an educator in New Mexico schools.
