**Daniel Chaffey : Dirty German: Everyday Slang from (Dirty Everyday Slang)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dirty German: Everyday Slang from (Dirty Everyday Slang):

1 of 1 people found the following review helpful. Good for the colloquial and vulgar linguist...By Dr. Jamie Feel-Good  
First off, let me say this book is very dirty in language...Something I don't recommend to minors, unless you are the type to allow them to learn such words and teach them to use them in the right situation. It covers basic informal and colloquial speech and progresses into dirty language such as "fighting words" (words that are prelude to fisticuffs), sexual terms (such as body parts, acts and paraphernalia) and even just plain insults for the sake of mean. If you make a close-enough friend in Germany, be prepared to understand the double-entendre-loaded slang that comes with such closeness. I recommend this to any linguist with a penchant for vulgarity and those who want to be aware when visiting Germany. Besides, my uncle, who learns German, could do with a refresher course since the Berlin Wall fell.  
1 of 1 people found the following review helpful. Lacks...By G.S. Smith  
I also own the Russian version, which was written apparently by someone who's spent a lot of time in St. Petersburg. This by contrast appears to have been ported over from that original book, given some of the same phrases and advice. Germans are not at all as confrontational as Russians in my experience, and so you may find yourself looking for a different book for slang than this one. It has good things in it, but there are probably better products.

By ZenDodge69  
Like the Japanese version, this starts out with some comments about culture, manners and courtesy. How to address someone you don't know what not to ask, etc... Then it gets to the 'dirty' words and after that covers various areas like sports, food, dating... So, if you want just the 'dirty' words go elsewhere. It really is worth the price.

GET D!RTY  
Next time you're traveling or just chattering in German with your friends, drop the textbook formality and bust out with expressions they never teach you in school, including:  
Cool slang  
Funny insults  
Explicit sex terms  
Raw swear words  
Dirty German teaches the casual expressions heard every day on the streets of Germany:  
What's up? Wie geht's? I'm smashed. Ich bin total angeschickert. Fuckin' Munich fans. Schei München Fans. That shit reeks. Das riecht aber bel. I wanna shag ass. Ich will abhauen. What a complete asshole. Was für ein Arschloch. Dude, you're built like Arnold! Mensch, du bist der Arnie!
