Steven M. Barrett : Disneyland's Hidden Mickeys: A Field Guide to Disneyland Resort's Best Kept Secrets before purchasing it in order to gage whether or not it would be worth my time, and all praised Disneyland's Hidden

Mickeys: A Field Guide to Disneyland Resort's Best Kept Secrets:

2 of 2 people found the following review helpful. (Kindle Version) User UnfriendlyBy Elle WBecause there is no table of contents and no hyperlinked index, it is cumbersome to flip through this book and find the section you need, making it a hindrance to using while at the park. I was hoping for the convenience of having this on my iPhone instead of carrying around a book while at Disneyland. But, because of the format, now I'll have to read each page and mark the info in my notes to reference later. What a hassle to have to flip through every page to try to find the section we need! The one good spot is that each "clue" is hyperlinked to its corresponding "hint" although it doesn't quite solve the organizational problem of using this ebook while in the park. Kindle versions of reference books should always have an easy-to-access, hyperlinked index and table of contents. When they don't, it not only makes the hard copy a much better value, it makes the kindle version almost useless. I wish I didn't purchase this book!

This book was a lot of fun for my family at Disneyland while waiting in line ...By DanceswithjackThis book was a lot of fun for my family at Disneyland while waiting in line or at mealtime. It was also a great conversation starter and we ended up meeting so many nice people and we felt like Disney pro's being able to point out very fun hidden Mickey's around both Disneyland and California Adventure Park! Our children were 6 months and 8 years old. My advice is to read over the book before going and see what you can find/remember when you get to the park. That was very exciting to do and then we pulled the book out for hints. Feeling like a hidden Mickey insider was so "awesome " to our 8 year old!

0 of 0 people found the following review helpful. Hate the organization of the bookBy CustomerHate the organization of the book. I'm not down with the scavenger hunt. There's already enough to do in Disneyland. My seven-year-old loves looking for hidden Mickeys in movies in the park. I was hoping the book would keep him busy while we waited in lines. The organization of the book is far too confusing for him. Will definitely return it and buy the hidden Mickey book from the other author that's available on .

Camouflaged images of Mickey Mouse are concealed all around the Disneyland Resort in the theme parks, hotels, shops, restaurants, and even a parking structure. Author Steve Barrett (aka Hidden Mickey Guy) adds to the fun of finding them by turning the search for these hidden Mickeys into three scavenger hunts, complete with clues, hints, and points to be scored. There's a hunt for Disneyland Park, one for Disney California Adventure, and one for all the rest of Downtown Disney District, the three resort hotels, and Mickey and Friends parking structure. Steve has combed every inch of the resort, including Cars Land, to bring this new fourth edition up to date. The result: scores of new hidden Mickey sightings, for a total of over 450. The guide lets you scavenger hunt for them by following the clues in each hunt. Or you can find Mickey without following a scavenger hunt by consulting the Index to Mickey's Hiding Places in the back of the book. Having trouble spotting him? You'll find complete descriptions of every hidden Mickey in the book in the hints sections of each scavenger hunt. Compete with family and friends to see who can spot the most hidden Mickeys. Or simply enjoy finding these clever hidden images on your own, wherever you find yourself in Mickey's magical California realm.

Not only is the book a great guide on finding Hidden Mickeys, but if you follow the suggested itinerary it really minimizes the wait times in line." (Harold McFarland, editor, Readers Preference s Reader's)About the AuthorSteven M. Barrett is the author of Hidden Mickeys guides to Disneyland, Walt Disney World, and the Disney Cruise Line. He lives in Seminole County, Florida, near Orlando. A Texas native, Air Force veteran, and former University of Oklahoma professor, Barrett relocated to the Orlando area from Houston, Texas in the mid 1990s. He began visiting the WDW parks every chance he got to enjoy the attractions, sample the restaurants, escort visiting friends and relatives, and find hidden Mickeys! His interest in them led him to write his three Hidden Mickeys field guides. ISBNs and titles of Barrett's other field guides: Hidden Mickeys, 6th edition, 9781937011291; Hidden Mickeys Go to Sea, 2nd edition, 9781937011222.
