Santiago Montes : Extreme Colombia (English and Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Extreme Colombia (English and Spanish Edition):

Colombia is a country with some of the most amazing and unknown natural sceneries, and this book was created so that the world could appreciate them. Format 4.2x5.3 inches, comes inside a beautifully designed box made of craft cardboard so that you can keep it as a treasure. This spectacular coffee table book gathers great photographs of the most unknown and inhospitable places in Colombia, showing a different and unforgettable view of the country.
